Thank you Richard Glovsky for your service and dedication to the Judge Baker Children’s Center
Dick helped me accelerate my career growth by providing my first opportunity to be an expert accounting witness almost thirty years ago. He provided me with mentoring and lessons that are with me to this day.

Dick even taught me a little Yiddish, and that’s how I know to call my friend Dick Glovsky a true mensch. It’s no surprise that Dick would align himself with an impactful organization like Judge Baker’s Children Center.

Congratulations on being tonight’s honoree.
